London, UK – August 18, 2022 - VeriPark, a Microsoft Dynamics Global ISV with exclusive focus on the Financial Services Industry (FSI), has achieved the prestigious Microsoft Business Applications Inner Circle award for the 12th consecutive year.

Membership in this elite group is based on sales achievements that rank VeriPark in the top 1% echelon of the Microsoft's Business Applications global network of partners. Inner Circle members have performed to a high standard of excellence by delivering valuable solutions that help organizations achieve increased success.

2022/2023 Inner Circle members are invited to the Inner Circle Summit in Spring 2023 as well as virtual meetings between June 2022 and August 2022, where they will have a unique opportunity to discuss strategy with Microsoft senior leaders and fellow Inner Circle partners, while learning more about the company's road maps and future plans, establish strong executive connections, and collaborate on best practices.

"We are proud to recognize a group of partners who have excelled at accelerating their customer's digital transformation through the digital innovations from Microsoft Business Applications," said Peter Jensen, Microsoft Business Application Partner Strategy Lead. "Inner Circle partners represent some of the best IP, Industry expertise, and technical capabilities in Dynamics 365 and Microsoft Power Platform. Their dedication to customer success and the Microsoft Cloud have set them apart, and we are honored to recognize VeriPark for their achievement and membership of the 2022/2023 Inner Circle."

VeriPark's close collaboration with Microsoft, sharing the same vision & values, is driving the growth of VeriPark's FSI solutions across the globe. These solutions – built on top of Dynamics 365 and Azure, enable financial institutions to gain cutting-edge insights into customer buying behaviors and better manage real-time services to stand out from the competition.

Ozkan Erener, CEO VeriPark: *"We are proud to be acknowledged by Microsoft for our continuous effort to accelerate the digital transformation journeys of our customers. By collaborating to win with Microsoft, we bring the full power of new technologies to the Financial Services Industry and empower banks and insurers to provide premium digital experiences to transform customer journeys that were never imagined before. We're thankful for the amazing support we receive from Microsoft. This recognition is testament to our jointly planned strategy and execution."*
